His Excellency T.Ananda Rao, Esquire, B.A.,

Dewan of Mysore,

Rel 334—8/11

May it please your excellency,

We the poor but loyal and devoted Musalman subjects of H.H. the Maharaja, residing in the Malleswara Extension beg most humbly to bring the following few lines for your Excellency's gracious and sympathetic consideration:-

2. In March 1909, an application was submitted to the Vice President of the Bangalore City Municipality for the grant of the site close to our Block for building a mosque thereon. The site applied for is bounded on the north by the hundred feet cross road, on the south by Nilgiri Appanna's Mango garden, on the east by big ravines and on the west by the old Tumkur Road.

3. As the Vice President did not favour us with a reply, we submitted another application to the President in May last. We have received no reply to this either. We understand, however, that the same site has just now been granted to one Syed Khader (A salustry in the Mysore Trahsport Corps) and to three of his near relatives at an upset price, we may add that several other persons had applied for this site, but were, we learn, informed that it cound not be granted to them as it was reserved for a mosque.

4. We humbly beg, therefore, that your Excellency may be graciously pleased to inspect the site in question, cancel the grant of the same for private houses and order the grant of it to the whole community for erecting a mosque thereon, just as other communities have been granted free sites for temples &c. in the same Extension. The want of a mosque near our quarters, where we may retire for offering our usual daily prayers is being very badly felt by us.

We beg to remain,

Your Excellency's most obedient servants,

Dated, Bangalore, 8th April 1910.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments, Bangalore.

Sir,

In reply to your Official Memo No. 9555/Ml.334-09 dated the 25th April 1910, I have the honour to state that the plot of sites referred to by the petitioners is situated on the east of the Subedar Chattram Road, in the Mchammadan Block of the Malleswaram Extension There are six ordinary house sites in it. One of them was granted to a Mussalman woman who selected it in exchange for her shop near the City Vegetable Market which was acquired for public purposes The remaining 5 sites were applied for by other poor Mussalmans, one of them is a Choudry in the Imperial Service Regiment When I inspected these sites before passing orders on the applications, Hyder Hussain, a Clerk in the Revenue Commissioner's Office, with 2 or 3 others belonging to his faction, represented to me that the sites should not be granted to the applicants for building purposes, but that they should be given for building a Masjid. I told them that it was a malicious objection against the applicants. I told them that because this plot was close to the Hindu Blocks, it would tend to quarrels and riots during the Hindu marriage processions if a Masjid existed on it, and that therefore he would

16

not grant permission for building a Masjid on it, but that he would gladly grant suitable sites for it in the interior of their Mohalla On this, Hyder Hussain made insulting remarks regarding Government Officers generally, and when I noted his name to report him to the Revenue Commissioner, he care back to his senses The petition under report is doubtless his own production

2 The sites in the plot in question have been granted for the up-set price to poor Mussalmans themselves

3 The petition received with the Memorandum under reply is herewith returned

I have the honour to be
